Subject: Interview of Michael Camerano (D.O.B. (c)) at 1 Meadows Avenue, Canton, Ma 02021 relative to the investigation into the homicide of his friend, John O'Keefe.

Case: 2022-112-33

1. On Sunday, January 30, 2022, at approximately 1:00pm, I, Trooper David DiCicco #3782, was present at 1 Meadows Avenue in the Town of Canton. The residence is home to homicide victim, John O'Keefe, as well as his niece, (c) and his nephew, (c) (D.O.B. (c)). I had an appointment to meet with Paul O'Keefe, John's brother, and ask some questions about the relationship between John and Karen Read. Investigators were also looking for someone in John's family to possibly provide the passcode to his phone.

2. Upon completion of my brief meeting and conversation with Paul, he told me that Michael Camerano was downstairs, inside the house, and he was with John the night he died. He offered to get him so I could talk to him and I agreed. Michael came upstairs and the following is a summary of the information he provided.

3. Michael said he came over to John's house, 1 Meadows Avenue, Canton, at approximately 6:00pm on Friday, January 28, 2022. Michael said he brought his daughter and they were all celebrating because his daughter (c) and John's niece, (c) had both been accepted to Bishop Feehan. The two girls were hanging out and sometime later, around 7:30pm or 8:00pm, Michael and John went to CF McCarthy's to get a bite to eat and have a couple beers. Michael said that prior to leaving, John moved his car to the corner of the driveway to make it easy for Karen to maneuver her vehicle in and out of the garage. Michael said they thought Karen may join them later at CF McCarthy's and he also texted a friend, Kurt Roberts, to join them at the bar. Kurt and Karen both eventually joined them at CF McCarthy's.

4. Michael said he had to leave CF McCarthy's at approximately 9:30pm because his son was playing at a friend's house, (c) Cullen, and he had to pick him up. Michael's son had been playing on their outdoor ice rink and gotten his tooth broken with a hockey stick. Michael said he stayed at the Cullen's house for a while and then went to pick up his daughter (c) at 1 Meadows Ave at approximately 10:30pm-11:00pm. When Michael left John's house after picking up his daughter, the garage doors were down and the house appeared secure.

5. Michael said the time he spent at CF McCarthy's was normal. The guys were drinking beers and he couldn't remember if Karen was drinking mixed drinks or wine. He did not observe or remember any fighting. Michael said John did complain that he was annoyed Karen had hired a plumber when her water heater broke. John was annoyed because his family business is plumbing and he didn't understand why she would not ask him for help. I asked if he ever complained about Karen previously and he mentioned that John thought that Karen spoiled the kids. John has told Michael about verbal arguments in the past but he has never observed or been informed of any physical violence. Michael said before he left the bar they were talking about going to either the Hillside pub or Waterfall afterward. Michael paid the tab before he left.

6. Michael told me that he was woken up Saturday morning by his wife, Katherine, calling him on the work phone. She told him that Karen had called her and told her that John didn't come home. Katherine told Michael to go over to John's house because (c) was home alone. Michael then looked and saw missed calls from Karen on his personal phone at 4:46am, 4:47am, 4:47am, and 4:49am.

7. Michael said he came back to 1 Meadows Ave for (c) at about 5:30am. He estimates it was 5:30am because his wife called him at 5:08am. At the time of his arrival, Michael observed Karen's SUV nosed in towards the trash cans perpendicular to the right garage door. He said the door was open and it was apparently broken because the keypad didn't work. Michael said he had to close the door manually. I thanked Michael for the information and the interview was terminated.

Respectfully submitted,
